To help you plan your school year, print this page. Place a check mark in all courses that you completed by the end of June 2018. Remembering that AVS is paced on a semester system, place Sept. in the column for courses you wish to take in the first semester and Feb. for those you wish to take in the second semester. Jot down the name of the elective you have already taken or wish to take. Print this form and submit it with your application package.

**\*\*Please note:** This process is only for students that are registering as full-time AVS students. Please see our cross-enroll section if you are only wishing to take one or two courses from AVS. \*\*
