

The Home Education Plan must be submitted on an annual basis for any home education or distance learning school program. All plans are for one school calendar year and need to be renewed each year prior to September 15th. Contact AVS if you have any questions, 867-456-6777 or by e-mail at: [edu-avs@gov.yk.ca](mailto:edu-avs@gov.yk.ca).

**Time-line for Home Education Planning**

1. Registration forms and the Home Education Plan should be submitted prior to May 15 of the current school year for the following school year. No Home Education Plans will be processed during the summer break. Home Education Plans must be submitted separately for each subject.
2. Any remaining Home Education Plans must be submitted to AVS prior to September 15th of the current school year. Note processing closure dates in point 1.
3. A decision to request a DL program as the home education plan must be made/processed/approved prior to September 15th.
4. If a parent of a Grade 1 to 7 student is approved for a DL program for their child, that program remains in effect for the entire school year to completion in June. DL programs cannot be terminated in mid-year due to the cost associated with these programs. It is not possible to make a change after registration.
